[Submit](#)

3. Click on **Submit** to join the session.
4. First time users might have to install the Blackboard Collaborate Launcher. When you click on **Join Room**, the installation will be automatically prompted (as shown below).

First time using Blackboard Collaborate?

Guest URL: 

Participant Phone

Get the Launcher

The Blackboard Collaborate Launcher makes joining sessions and playing recordings simple and reliable.

[Download Launcher](#)

Already installed the launcher? [Launch Blackboard Collaborate now.](#)

[Learn more about the Blackboard Collaborate Launcher.](#)

5. Click on **Download Launcher**. Save and Run the blackboard collaborate launcher by clicking next and install

Note: DO NOT click on OK button which might appear on the screen until the installation is complete.

6. When you click on the OK button after the installation is complete, you will be prompted to open or save the **meeting.collab** file. Save and open this file using Blackboard Collaborate Launcher. Accept the agreement and join the session.

Once in the meeting room, the screen will change to the following:
