We're here to help.

If you're suffering from pain or unresolved injuries, we invite you to join us for an informative presentation followed by **COMPLIMENTARY, NO OBLIGATION** injury assessments from one of our Airrosti Providers. At Airrosti, we focus on identifying the root cause of our patients' pain, then resolving that pain as quickly as possible—in an average of just **3 VISITS** based on patient reported outcomes). For those employees and dependents on the UT SELECT Health Plan, visits to Airrosti are **FREE** through 12/31/15!

This complimentary injury assessment is for educational purposes and is not intended to induce a paying visit, nor does it require any individual to schedule an appointment with an Airrosti Certified Provider. You are free to seek an opinion from the health care provider of your choice for a more thorough examination and treatment. All of the component services of this assessment that will be provided to you at no charge include a clinical guideline evaluation along with a report of findings. We will charge for any additional services provided to you in the future.
